A Paid Leave

1. Sick Leave

- a. Starting the 2019-2020 school year, staff will earn eight (8) sick days each school year to be used for sicknesses and medical related reasons. These days will be applied at the beginning of each school year. In the event employment is terminated during the school year, these days will be prorated to be earned at a rate of one (1) day per school month. Any unearned days that were used prior to employment ending will be reimbursed by the employee.
- b. Staff will be allowed to carry up to ten (10) sick days to the next school year. Sick leave accumulation shall not exceed eighteen (18) days.
- c. Any staff member who terminates his/her employment or has his/her employment terminated for any reason, will not be compensated for unused sick days.

2. Banked Sick Leave (Renumber to #3)

- a. Sick Leave earned prior to the 2014-2015 school year will be labeled Banked Sick Leave. Staff shall no longer earn banked sick leave after the 2014-2015 school year that can be banked to be transferred to a VEBA account at retirement. Banked sick leave has been replaced by casual and sick leave days.
- b. Staff who have banked sick leave balances accumulated prior to the 2015-2016 school year will have sick leave accumulation "banked" into a sick leave accumulation account, which may be used by the employee to supplement short-term disability benefits received for a disability. In addition, banked sick leave can be used for illness or medical appointments after exhaustion of the current-allocation of casual-days. Banked sick leave may be used to make the employee whole for base pay earnings; however, no additional sick leave benefits will be added to the banked account.
- c. All staff with a banked sick leave balance who retire from the system upon becoming eligible, therefore, under the Wisconsin Retirement Fund or retire thereafter prior to age 65, shall be eligible to have the fund rolled over into a separate VEBA account. The amount transferred will be the lessor of \$2,000 multiplied by the number of months from retirement that the employee reaches Medicare eligibility or the balance of the retiring staff member's accumulated sick leave multiplied by his/her daily salary rate at the time of retirement. In the event of death of a non-retired staff member who meets the qualifications for retirement, the surviving beneficiary will have the lessor of the described balances rolled over into a VEBA account to be used for Internal Revenue Code Section 213D eligible expenses.

Ms. Abbie Nizzia Syble Hopp School

Dear, Abbie

Please Accept this letter as notice of my resignation from my position as an assistant aide at Syble Hopp School.

I have received a great opportunity as a 4k teacher while getting experience for my career as an elementary school teacher. I am going back to school and thought this opportunity would provide me great experience with my future job after College. After a careful consideration, I realize that this opportunity is too exciting for me to decline.

It has been a pleasure working at Syble Hopp this last school year and gaining so much experience in one year. I sure will miss all the kiddos and all the great memories I have made in the year at Syble Hopp.

Abbie, thank you again for the opportunity to work for Syble Hopp. I wish you and everyone a great school year/

Sincerely,

Marissa Hohol
